

THE HONDO ANVIL HERALD.

HONDO, MEDINA COUNTY, TEXAS, SATURDAY, MAY 2, 1925.

VOL. 39. No. 40

LOCAL AND PERSONAL.

The Anvil Herald office was favored Monday with a fraternal call by Mr. T. M. Welton, a linotype operator from San Bernardino, Calif. Mr. Welton had been back to his boyhood home in Missouri on the sad mission of burying one of his relatives, and on his return came by way of Hondo to visit a sister, Mrs. J. C. Lynn, near Yancey, whom he had not seen in some time. He informed us that, while too much rain was falling in Missouri, much of Kansas and all that part of Oklahoma and Texas traversed by him was parched with drouth and the crop prospects gloomy. California, depending entirely on irrigation from the flow of melting snow from the mountains, is not affected by drouth.

Several years ago the Auditorium was floored with a special view to its use as a skating rink, and for a while the sport was quite popular. Eventually, however, it was discontinued and for several years has been almost forgotten. Messrs. Kimmey & Cameron, on last Monday night reopened the skating rink and are now catering to that part of our population that enjoys this class of diversion. The floor is ideal for skating and no doubt the promoters will be liberally patronized.

R. A. Haegelin, one of our enter-
prising farmers, was a business cal-
ler at this office Tuesday, and while
here enrolled with the growing fam-
ily of FARMING'S Folks. Mr.
Haegelin is somewhat discouraged
over the prevailing drouth—has
plowed up his oat crop—but like
the man inured, as he is, to the un-
certainties of the weather, he is go-
ing ahead and preparing for the re-
turn of prosperity when the glorious
rains return.

Messrs. Joe W. Meyer of Dunlay
and Hugo Batot of this place, two
of Medina County's coming young
farmers, were business callers at this
office Saturday. We regretted to
learn from Mr. Meyer that his
father, Mr. Willie Meyer, continues
in poor health at his home near Dun-
lay. His friends wish him an early
recovery.

Mrs. Bailey C. Rogers is in San
Antonio at the bedside of her sister,
Mrs. Don Sanders, of Pearsall, who
is recovering from an operation.

The Delco-Light Millions Have Waited For

\$195

F.O.B. DAYTON, O.

AS THE world's largest manu-
facturers of farm electric
plants, we have been working for
months on the development of a
lighting plant that could be sold
at a radically lower price—a price
so low that it would bring elec-
tricity within the reach of every
farm home in America.

We knew that a million farm
homes were ready for electricity—
that a million farmers realized
the money-saving, time-saving
value of electricity—that a million
farm women had learned that
electricity would lighten the bur-
dens of farm life and bring new
happiness and new opportunities
to their families.

A Price That Is Revolu- tionary

We realized that a small reduc-
tion in price would not be enough.
It must be revolutionary—drastic.
And we wanted to be able to offer
this plant on very easy terms—so
that every farm home, whether
owned or rented, could have the
benefits that are so much appre-
ciated on the 200,000 farms where
Delco-Light is now in use.

And Now It's Ready

Today the new Delco-Light is
ready. It is more than we had
hoped. Quantity production—

modern engineering—millions of
dollars worth of machinery—re-
search and invention—have pro-
duced the Delco-Light that can
make all farms electrically lighted
farms.

A 600-Watt Non-Storage- Battery Plant

The new plant is a genuine
Delco-Light in every respect—
full 600-watt capacity, strong,
sturdily built, economical in op-
eration. It is equipped with a
standard Delco starter and an
economical starting battery. And
its price is only \$195 f. o. b.
Dayton—the lowest price and the
greatest value ever offered in a
Delco-Light electric plant.

Complete Installation at a Remarkably Small Cost

In addition to this, special
arrangements have been made
whereby the Delco-Light dealer
in your community will install
your plant and wire your house
for five lights, to be located wher-
ever you specify. You will re-
ceive with the plant five beautiful
spun-brass lighting fixtures com-
plete with bulbs.

And all of this—plant, installa-
tion, wiring, fixtures, everything

ready to turn on the lights—will
cost you only \$53, in addition to
the price of the plant itself.

A Small Down Payment —Balance on Easy Terms

Finally, we have arranged that
this new low cost for Delco-Light,
completely installed, can be paid
on terms so easy that anyone can
take advantage of them. The
total cost is only \$248, including
freight (a little more west of the
Mississippi). But you make only
a small down payment. The bal-
ance is payable on easy terms,
arranged to suit your convenience.

Ask for Details

Never before has such an offer
been made. Never before has
Delco-Light cost so little and been
so easy to buy. It means that any
farm home—your home—can have
Delco-Light today.

At the bottom of this advertise-
ment appear the name and ad-
dress of the Delco-Light dealer
for your community. Call on
him, write, or telephone for full
information—specifications of the
plant, illustrations of the fixtures
that come with it, details of our
complete installation and wiring
plan, and the figures that show
how easily you can now get
Delco-Light.

LADIES "FORTY-TWO" CLUB.

Mrs. Alice Reinhart, Mrs. W. O. Rothe and Mrs. Felix Richter entertained the members of the "42" club and a few invited guests on Thursday afternoon.

A color scheme of pink, white and crimson, was successfully carried out in the decorations and in the refreshment course. Cut glass baskets of pink and white roses formed the central table adornment and the favors were a cluster of crimson rambler roses. White cake, iced in pink, and cherry sherbert carried to completion the chosen theme.

Mrs. Alphonse Boog of D'Hanis, Mrs. Arthur Rothe of Trio, Mrs. Earl O'Neal of Houston, and Mrs. Jack Forgason were club guests.

One new name, that of Mrs. Jack Forgason has been added to the club's membership list.

Mr. Hugh L. Heitt, a singer of wide reputation as a soloist, musician and choir director, will have charge of the choir. It is our plan to use two piano's and we invite the members of the Hondo Orchestra to bring their instruments and thus add volume and melody to a large chorus choir.

ROLLIE SCHUEHLE SLAYED.

Fortino Salazar is in the Co. jail and Rollie Schuehle is confined to his room as the result of an affray at the Sterl Haby ranch Sunday afternoon.

Rollie is suffering from several knife wounds, probably the most serious being just above the ankle of his right leg, the large tendon at the back of the leg being severed. He also has cuts in the shoulder arm and hand. None of his wounds however, are regarded as serious.

The grand jury was reconvened Wednesday to investigate the affair, and returned an indictment against Fortino, charging him with an attempt to murder.

As Mr. Sam Harcastle, a member of the original grand jury could not be present, Mr. W. B. Odom was summoned as a special grand jurymen, to act in Mr. Harcastle's place. We are not advised as to what led to the affray.

MRS. R. M. YANTIS KILLED.

Yesterday morning's Express contained this despatch: BEEVILLE, Texas, April 30.—Mrs. R. M. Yantis of Corpus Christi was probably fatally hurt when the automobile in which she was riding turned over one mile from Beeville on Thursday afternoon. Yantis escaped injury, while Mrs. G. L. Gray, also of Corpus Christi, was slightly bruised.

The party were on their way from San Antonio to Corpus Christi. One mile from Beeville a freight train, throwing off steam, wetted the pavement, causing the machine to turn over.

The injured were rushed to a Beeville hospital. The car was completely wrecked.

Later in the day, friends here received telephone messages that Mrs. Yantis died from her injuries, and several from here went to the funeral in San Antonio in the afternoon.

The Yantis family were formerly residents of Hondo and have many friends here who will be grieved and shocked at this sad news.

The 26th Chapter of Matthew afforded an intense lesson to all the interested members and was very helpful to the class. The next lesson will be the 27th Chapter of the same book.

Responding to roll call were Mesdames Theo. Barnes, Roland Chaney, F. S. Cockrell, Richard Reily, Harper Fly, Frank Schweers, Jesse Newton, Theo. Cameron, Sydney Fly, Walter McClaugherty, John Horger, Will Connelly, Bettie Merriwether, Tom McClaugherty, Earl Boon, Henry Merriman, Isaac Wilson, Misses Bertha Newton, Willie Dee Fly, the hostesses and Rev. Foster.

At the conclusion of study a refreshing cherry-ice and cake course was served.

OUR "GOOD WILL" COLUMN.

By W. D. Trotter.

Scores of motion picture actors and actresses would lose their jobs if they were deprived of their ability to smile. They know it. They realize what their smiles are worth to them; but most of us do not know that our ability to smile may be made to bring us success right in our own line of work.

People pay money to see their favorites smile in the movies. They pay money to see smiles on the living stage. They pay money to be made to smile.

When God created man in His own image, He gave him the power to smile with the use of only thirteen facial muscles, while he must use sixty-five muscles to produce a first-class frown.

Can you smile? Can you wriggle your facial muscles into that form of good looks called a smile? If you can smile and don't, you are throwing away limitless possibilities and countless opportunities.

Everything is going to break right some day for the man or woman who smiles. If the smile does not bring riches, it will at least bring happiness to self and to others, and happiness is greater than riches, for riches are valuable only for what happiness they will bring.

ON BEING LATE.

By W. D. Trotter.

Do you know among your acquaintances a man who can be depended upon to be always, as some wag has said, "punctually twenty minutes late?"

And if you're a person who makes a particular point of being on time, doesn't it rouse your ire?

No man can afford to acquire the reputation of not meeting engagements on time, no more than he can afford not to meet his notes on time at the bank.

Men who conduct the big business affairs of the nation place a high value on their time during business hours, and rightly. Minutes mean money to them, and the bigger they are the more money is involved.

There is no excuse for being late. At least, not often. It isn't difficult to determine in advance how much time will be required to reach a given point in the city.

Give yourself enough time. If ten minutes isn't enough to permit you to reach your place of appointment on time, take twenty.

Better be five minutes ahead of time than to keep a busy man waiting five minutes.

Don't acquire the habit of being late. It grows.

THE STOMACH

IS ONE OF THE MOST IMPORTANT ORGANS OF THE BODY

It prepares the food we eat for digestion, making possible the assimilation of the body building elements. Frequently we abuse this important organ by eating an over-abundance of rich, greasy, highly-seasoned food. The natural consequence of this is to impair the ability of the stomach to properly prepare this food for the assimilative process.

KODOL TABLETS

are compounded especially to assist the stomach to prepare albuminous foods for digestion, thus relieving it of some of the stress and strain imposed upon it. San Antonio, at 9:15 p. m. Friday,
April 17, 1925.

Mrs. Mueller submitted to an opera-
tion Tuesday morning, April 14th,
from which she recovered nicely,
but due to some complications which
set in she grew weaker and weaker
until death closed the scene.

Deceased was born at the Sauz on
November 17th in 1883, she there-
fore attained the age of 41 years and
5 months. She was married to Mr.
Joe Mueller on November 27, 1906,
since then always lived on the
Mueller farm near LaCoste.

Mrs. Mueller leaves surviving her,
besides her husband, her aged father,
Henry Keller Sr., of the Sauz, Frank
Keller of LaCoste and Henry W.
Keller, Jr., of the Sauz. She was
preceded in death by her mother,
who died, May 12, 1911 and one
sister, Mrs. Anna Echtle, who died
September 2, 1909.

Deceased was of a cheerful dis-
position and numbered her friends by
her acquaintances, and her death
was indeed a shock to all.

Her body was brought to the
Mueller home, Saturday morning,
from where it was taken to St.
Mary's Catholic Church, Sunday af-
ternoon at 3:00 o'clock and after
services there was conveyed to St.
Mary's cemetery where it was tenderly
laid to rest in peace. Rev. James
Marsollier performed the last sad
rites of the church of which the de-
ceased was a faithful member. She
was also a member of St. Ann Society
of St. Mary's Congregation.

Pall bearers were Messrs. Leo
Bohl, Elmer Frazier, Andrew Kempf,
Herbert and Oswald Keller and Hy.
Echtle.

One of the largest corteges ever
assembled in LaCoste gathered to
pay the last respect to the departed,
which shows the esteem in which she
was held by all who knew her.

We extend our sympathies to the
grief-stricken husband and relatives.

FIRE DESTROYS SHED AND
CONTENTS.

Monday afternoon, April 20th, the
shed in the rear of Sea Gull Bakery
and Ahr's Garage was noticed to
be on fire by some of our citizens,
who immediately gave the alarm
and within a few minutes practi-
cally every man in town and many from
the near by farms were at hand to
fight the flames.

The fire was caused by a whirl-
wind carrying some sparks from a
fire under a wash-boiler in the
back yard of the Bakery, into the
shed and before anyone could reach
the scene the fire had gained too
much headway to be extinguished.
All that could be done by the fire-
fighters was to keep it from spread-
ing, which was done very success-
fully in spite of the high South wind
blowing at the time.

Mr. Otto, the Baker lost about
\$300.00, and Mr. F. W. Erck, who
had his blacksmith tools in the shed
also lost several hundred dollars.
Two good sized hogs, kept in the
shed by Mr. Otto are included in his
loss.

About fifty feet of fencing and a
Garage belonging to Mr. Ferd. Ahr,
who lives across the alley were also
destroyed. The Ford car belong-
ing to his son Edwin and which was
in the garage at the time of the fire
was saved, by breaking down the
north wall of the garage. After the
car was out the fire was under con-
trol and most of the lumber of the
garage was saved.

The Medina Mercantile Co. lumber
yard was in danger for a time, the
shingle stack, which was nearest to
the fire was ignited several times
but was also saved by continually
pouring water over same.

LOSES HIS FATHER.

Rev. G. E. Grueber was called to Brenham last week on account of the serious illness of his aged father, Rev. John Frederick Grueber. The old gentleman died on Tuesday, April 21, 1925, and was buried Thursday, April 23rd.

Rev. Grueber was 75 years, 8 months and 4 days of age at the time of his demise, was a native of Wuertemberg, Germany, but came to this country as a young man and had been a Lutheran Pastor in Texas for the past forty years. A good and loved man has gone to his reward.

Surviving the deceased are two children, Miss Hildegard Grueber of Brenham, Washington County, and Rev. G. E. Grueber of this place.

Read "Zen of the Y D." a two dollar book for two bits.

PASSED AWAY.

Mrs. Katie Johnson Jones, was born April 4th, 1858, and departed this life, April 24th, 1925, aged Sixty-seven years and twenty days.

In 1880, she was married to Mr. Nollie Jones, and to this union was born six children; four boys and two girls. Also there are twenty-six grand children, and two great-grand children. She and her husband were converted in 1890 and joined the Missionary Baptist Church, in Erath County, Texas in which church she remained until she fell asleep in Christ.

A few days before her departure she said she would be glad to have the privilege of attending church and hearing the gospel preached again; that all through life the church services, regardless of denominational distinctions, had ever been a pleasure to her.

The body was laid away in the cemetery about two miles South of Tarpley, Texas, by kind and loving hands, in the presence of a host of old acquaintances and warm friends. The writer leading the devotional services.

She leaves loved ones behind, to mourn her absence: a husband, two grown sons, and two grown daughters, and more than twenty grand and great grand children together with friends and acquaintances, many of whom doubtless cherish the hope of clasping glad hands with her in the bright and eternal resurrection day, whose sun shall never go down, and the joy of which shall never cease.

May the love of God heal the broken hearts.

REV. J. T. HORGER.

"We came out fine in the Oklahoma Relay. Five of us went up there and won a large loving cup for first place in the mile relay, also won eleven medals—of which I won three—1 gold, 2 silver, and 1 bronze. We set a new record in the mile relay—and Mateer set a new record in the Javelin throw."

No Worms in a Healthy Child All children troubled with Worms have an unhealthy body, which influences poor blood, and as a rule, there is more or less stomach disturbance. GROVER'S TACILESS CURE TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

THE STATE OF TEXAS

County of Medina

In District Court of Medina County, Texas, April Term, 1925.

To the Honorable L. J. Brucks, Special Judge of said Court:

The Grand Jury impanelled by Your Honor at the above term of said Court ask leave of the Court to report as follows:

1. We have considered and investigated all matters coming to our attention through official channels or of which we had individual or several cognizance, as well as those matters submitted to us directly during our sittings, and herewith return into Court True Bills of Indictment upon all criminal actions presented before us upon which as many as nine of our number voted to indict. We have no recommendation to make relative to those matters not included in the indictments presented.

2. We find that some of the Doctors and Undertakers of the County, are not complying sufficiently with the laws governing reports on Vital Statistics, and recommend that the Clerk of this Court advise each of such parties in writing that they have incurred the censure of this Body by virtue of such dereliction of duty, and we further recommend that, in event, the above parties further fail or refuse to comply with such laws, the matter be presented before the next Grand Jury impanelled by this Court.

3. We have had before us the report of the Auditing Committee appointed by this Court at the last preceding term thereof. Inasmuch as it is neatly and concisely drawn, and shows the various funds of this county to be intact and the books of the various officials to be in exact balance, we have no recommendation to offer save that the recommendations therein contained be effected. In passing we feel it is not presumptuous to commend the officials of the County affected by this report upon their accuracy and efficiency, and would extend like commendation to the Auditing Committee for their very satisfactory effort. The citizenship of the county is to be congratulated upon the integrity of its administration and the zeal displayed by all those in reference.

4. In keeping with a customary precedent we have inspected the Court House and Jail buildings and find same in good condition. The Sheriff's department appears to be exercising proper care of the property and prisoners. We have no recommendation to submit.

5. Having completed our labors, we respectfully submit this, together with the accompanying documents, as our final report, with our appreciation of the courtesy extended us by the Court, and our thanks to the Bailiffs who have served our requests, and now pray Your Honor that we be discharged.

This 23rd day of April, 1925. PAUL REINHART, Foreman of the Grand Jury.

ARE YOU TIRED, ACHY—ALL RUN DOWN?

This Hondo Resident Tells You How To Get Well.

Tired all the time? Lame, stiff and achy? Tortured with nagging backache? Knife-like twinges when you stoop or lift?

Miserable with headaches, dizzy spells and bladder irregularities? All are signs of kidney sickness! Use Doan's Pills—a stimulant diuretic to the kidneys.

Here's Hondo testimony:

W. A. Mask says: "My back was sore and my kidneys acted irregularly. I felt tired, worn out and had no ambition to do anything. I had a dull pain in my kidneys day and night. I heard of Doan's Pills and tried them. Doan's cured my back and I have had no trouble with my kidneys since."

Price 60c at all dealers. Don't get Doan's Pills—the same that Mr. simply ask for a kidney remedy—Mask had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
